Lehman's Garage Announces New ONE DAY BUMPERS Service

Lehman's Garage is excited to announce its new One Day Bumpers service. One Day Bumpers is a one day bumper cover repair or replacement guarantee. Instead of waiting days for their repair, customers can now have their vehicle in and out in the same day while receiving the same great service and quality they have come to expect from Lehman's Garage.

How it works:

- Bring in your car for an estimate.
- Schedule an appointment.
- Drop off your car by 8 am and pick it up the same day after 5 pm.
- If we can't finish it, a rental car is on us until it's done!

Lehman's 1 Day Bumpers service makes bumper repairs quicker and easier for you.
